Patriot National Bank Encourages All to Get Fiscally and Physically Fit at their Customer Appreciation Day on April 27th

Stamford, CT. (April 12, 2010)—April is Community Banking Month and Patriot National Bank, along with members of the Independent Community Bankers of America (ICBA), is celebrating the vital role that community banks play in the economic, civil and cultural life of communities in cities and towns throughout America.

In recognition, Patriot National Bank's Southport branch is holding a Customer Appreciation Day on Tuesday, April 27th emphasizing both fiscal and physical fitness. Throughout the day, Branch Manager/VP Andrea Barron and Assistant Branch Manager /AVP Jeffery Enos will assess your financial health, making sure that your bank accounts best suit your needs. From 10am-3pm, customers can receive complimentary health massages, nerve stress tests and blood pressure readings courtesy of Dr. Robert W. Kipp and staff of Pro Health Chiropractic. Massages are by appointment only; contact the branch at 203.292.1770.

Community banks are part of the very fabric of Main Street," said Jim MacPhee, ICBA chairman and CEO of Kalamazoo County State Bank in Schoolcraft, Mich. Patriot's CEO and President, Charlie Howell adds, "We're proud of the ways in which Patriot has contributed to the neighborhoods we serve; it is important to us to not only safeguard our customer's hard-earned dollars but to contribute to the community by volunteering our time and expertise as well." Pro Health Chiropractic is located at 2600 Post Road in Southport. Dr. Kipp was recently recognized at the Chiropractic Seminar as one of 2010's Chiropractors of the Year.

It is Patriot National Bank's mission to offer a significant community-based alternative to larger banks and to provide personalized service to consumers and local businesses. Nationally chartered in 1994, Patriot National Bank currently has nineteen full-service branches serving Southern Connecticut, Westchester County, New York and New York City.
